### Transferrable Warranty

Congratulations! You have just invested in the highest quality water treatment product on the market. Please retain your sales order as proof of your purchase.

To whom is warranty extended? Enviro Water Technologies warrants its products to the original owner and is transferrable to all subsequent owners. Enviro Water Technologies guarantees that the products will be free from defects in materials and workmanship from the original date of purchase in the timelines described below.

How does my warranty work? If, during the respective warranty period, a part proves, after inspection by Enviro Water Technologies to be defective, Enviro Water Technologies will, at its sole option repair or replace that part at no charge ( other than normal shipping, installation or service charges).

What is covered by the warranty? Enviro Water Technologies guarantees that, for the 10 year period , the structure body and tanks will not rust corrode, leak, burst, or in any other manner fail to perform their proper functions and that, for a period of 10 years, the valve body will be free of defects in materials and workmanship and will perform its proper function and that, for a period of 10 years all electronic parts, will be free of defects in materials and workmanship and will perform their normal functions. Proper pre-treatment, regular service ie: (filter and bulb replacement) and yearly maintenance by an Enviro Water Technologies qualified technician is required to validate warranty. Warranty will be void if a change in customers water quantity or quality damage system.

How do I obtain warranty service? Should you need service your local dealer is only a phone call away. To obtain warranty service, notice must be given, within thirty days of discovery of the defect, to your local dealer.

General Provisions: The above warranties are effective provided the water treatment system is operated at water pressure not exceeding 125psi, and at water temperatures not exceeding 120F; provided further that the system is not subject to abuse, misuse, alteration, neglect, freezing, accident or negligence; and provided further that the system is not damaged as the result of any unusual force of nature such as, but not limited to flood, hurricane, tornado, or earthquake. Enviro Water Technologies is excused if failure to perform its warranty obligations is the result of strikes, government regulation, material shortages, or other circumstances beyond its control. There are no warranties on the water treatment system beyond those specifically described above. All implied warranties, including any implied warranty of merchantability or of fitness for a particular purpose, are disclaimed to the extent they might extend beyond the above periods. The sole obligation of Enviro Water Technologies under these warranties is to replace or repair the component or part of which proves to be defective within the specified time period, and Enviro Water Technologies is not liable for consequential or incidental damages. No dealer, agent, representative or other person is authorized to extend or expand the warranties expressly described above. Some states or provinces do not allow limitations on how long implied warranty lasts or exclusions or limitations of incidental or consequential damage, so the limitations and exclusions in this warranty may not apply to you. This warranty gives you specific legal rights, and you may have other rights which vary from state to state or province to province.
